From the moment I met Shenea at my initial consultation I knew I would like her. She was personable, firm but with a sense of humor, and focused on making my dreams come true! She maintained these same characteristics throughout the 6 months that she planned my wedding. Most of my married friends said that they were stressed out the day of their wedding...not me, I had the best planner in the world! Thanks Shenea! (Lindsey and Todd)

Shenea you were the by far the best planner I could have ever chosen for my wedding. I have never seen a stranger care so much about a person...you went from a total stranger to my best friend for a year as you diligently planned the wedding of my dreams. Thanks and I love you! (Laurie)

Girl, you are awesome! You know how to throw a party...or should I say...you made me look good! My wife loved her surprise birthday party. She couldn't believe it! My friends who knew the small budget I was working with could not believe how you made the party look like I spent a million dollars. Even Michele wanted to know how much it cost! They keep asking where I got you from and I am happily referring you out! See ya at the next party! (Don)

Shenea thanks for turning what I intended to be a simple gathering at my home into a high class party that would make the socialites of Hollywood drool! You truly have a passion for this and you are definitely skilled at what you do. The buffet was so elaborate, nobody wanted to touch it! Look forward to my phone call every year for my holiday party. I can't wait to see what creative ideas you have for next year. (Samantha)
