

Real Estate by Shenea Testimonials

Shenea is really a super negotiator and she makes it her business to ensure that her clients are thoroughly satisfied. She helped my husband and I purchase our first home and we are really happy. She is definitely the person you need and would want on your side!Monique, Woodstock, GA

Shenea is the best! I am a business owner and she worked with me to get my establishment. It is true what they say about her, she is a "Negotiator". She meets with you and makes you feel very comfortable. She goes over your contracts so that you know what you are signing. She has your best interest at heart. I highly recommend Shenea to my clients that are looking to buy homes, commercial businesses and even property rentals. She is professional, determined and she gets you what you want.Donna, Kennesaw, GA

Shenea is not only a wonderful person, she is a professional who knows the business inside and out. I was referred to Shenea from a friend; that was the best thing that could ever happen to me. Shenea helped me through all of the obstacles I had to go thru and now I am so proud to say I own my first home. I call her the "Negotiator" because she never gives up until the job is complete. I have been called a know-it-all in my time...but after I embarked on purchasing a number of investment properties...I quickly realized that I didn't know it all. I was referred to Shenea by a colleague that uses Shenea for all his real estate transactions. He said to me..whenever you buy real estate, don't leave home without Shenea. Since 2002, I haven't bought one piece of real estate without Shenea as my Realtor.Investor, Fulton County, GA

When I moved to Georgia, I had no idea where I wanted to live. I travel 80% of the time with my job, so being close to my corporate office didn't really matter. I just wanted a great house in a great area. Shenea drove me around neighborhoods in 4 different counties for almost 5 months. You talking about "customer service guaranteed" ...this woman definitely got a satisfied customer...ME! I will refer Shenea to anyone! I love her!Gwinnett County, GA

I am a single professional that needs to be in the middle of all the nightlife and shopping! At the time when I was looking for a home, my budget didn't quite match up with my taste in homes. So, my Realtor, Shenea suggested I rent a smaller, less expensive place for a year or two and save up money to purchase the home I really want. She is smart and knew exactly what she was talking about. I have almost saved enough money to put a down payment on my dream home. She doesn't care if you are a renter or a buyer she treats you with the same respect.Renter looking to buy SOON with Shenea as my Realtor, Buckhead Area

When I decided to purchase my second home here in Georgia, I was referred to Shenea. I needed a Realtor who had the knowledge and professionalism to get me the best deal, in the best area without a big hassle. Due to my hectic schedule, I needed her to be able to handle the deal with me being out of town most of the time. Needless to say, she got me from the negotiating table to the closing table without a hitch. I am always looking for the opportunity to refer Shenea to someone...Professional Athlete, Cobb County, GA

“The Negotiator”, as Shenea is affectionately referred, is the epitome of a well-rounded professional. Recently, I worked with Shenea on the purchase of my second home and the rental of my first. This spirit-filled negotiator was able to solidify an outstanding deal and held all parties involved to her undaunting standards of professionalism, customer satisfaction and integrity. Shenea’s recipe for success can be summarized as such, “act as though it is impossible to fail.”
